

NYLON ANTISTATIC GLOVES  
23502, 23504 (White)

These products are classed as Personal Protective Equipment by the European PPE Regulation (EU) 2016/425

## CAREFULLY READ INSTRUCTIONS BEFORE USE

EN 420:2003+A1:2009 Protective Gloves – General Requirements

**Fitting & Sizing:** Only wear products of a suitable size. Products which are either too loose or too tight will restrict movement and will not provide the optimum level of protection.

**Storage & Transport:** Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.

**Inspection Before & After Use:** Gloves should be thoroughly inspected before use to ensure no damage is present.

**Cleaning:** It is recommended that this product should not be washed or dry-cleaned.

**Warning:** These gloves will not prevent crushing injuries, or injuries associated with vibration. They are not to be worn when there is a risk of entanglement by moving parts of machinery.

ANTI-STATIC  
Standard: EN 1149-1
