

B

POLYURETHANE

TG3210

A lightweight PU Cut level B glove compliant to EN388:2016. The close fitting design, good abrasion and tear resistance and grip makes it an ideal choice for most general handling tasks in dry conditions.

Key Features

- Lightweight and comfortable
- Durable PU coating
- Breathable
- Close fitting knit wrist
- EN388:2016 compliant

Ideal for

- Assembly tasks in dry conditions
- Materials handling
- Maintenance
- Light Engineering
- Construction trades

MAINTENANCE

Both new and used gloves should be inspected to ensure no damage is present prior to use. No specific cleaning or maintenance is advocated as the performance after laundering is unknown.

DISPOSAL

Used protective gloves can be contaminated or infected with harmful substances. Dispose of the gloves as instructed by your local authority.

STORAGE

Gloves should be ideally stored in cool, dry conditions away from excessive heat and in its original packaging.
