

C

POLYURETHANE

# TG5210

A lightweight Cut level C glove compliant to EN388:2016. The PU coating offers excellent grip in dry conditions. Close fit and high tear and abrasion resistance makes this glove a good choice for general handling tasks with a cut risk.

## Key Features

- Lightweight and comfortable
- Durable PU coating
- Breathable
- Close fitting knit wrist
- EN388:2016 compliant

## Ideal for

- Assembly tasks in dry conditions
- Materials handling
- Maintenance
- Light Engineering
- Construction trades

### MAINTENANCE

Both new and used gloves should be inspected to ensure no damage is present prior to use. No specific cleaning or maintenance is advocated as the performance after laundering is unknown.

### DISPOSAL

Used protective gloves can be contaminated or infected with harmful substances. Dispose of the gloves as instructed by your local authority..

### STORAGE

Gloves should be ideally stored in cool, dry conditions away from excessive heat and in its original packaging..
