### DECLARATION OF CONFORMITY

We the Innovative gloves company limited, Thailand. Herewith declares that the following Personal Protective Equipment (PPE)

Product description: Gripper Nitrile textured gloves

Specification: Non Sterile, Nitrile Powder free

Color: Orange, Black, Blue and Red

Complies with the requirement of applicable essential health and safety requirements of Annex II of PPE Regulation (EU) 2016/425 as Cat III for personal protective equipment and below mentioned harmonized standard.

EN 374-1 : 2016

EN 374-2 : 2014

EN 374-4 : 2013

EN 374-5 : 2016

EN 420 : 2003 + A1 : 2009

REACH 1907/2006 Annex XVII

EN 455-1, 2, 3

ISO 9001 : 2015

ISO 13485 : 2016

The PPE is identical with the EC type test one, which was the object of the issued EC Type test certificate no. 2777/11537-01/E00-00 through SATRA Europe testing and certification body.

Furthermore the PPE is subjected to control measures by the notifying body SATRA technology limited (2777) in accordance with the Article 11A and 11B (EU quality management system of EU regulation 2016/425).

Further to maintain quality system effectiveness, we have established the procedure to appoint the vendors and they are periodically checked and evaluated as per the standards. The raw materials used in our process are non-hazardous and the MSDS are duly updated as necessary.

All our Incoming raw materials are subjected to testing and inspection at Incoming stage and release for the further use, In-process and final release are performed for each lot and monitored before the product dispatched.

Ongoing routine testing will be carried out for the products in line with EN 455-1, 2, 3 and ASTM 412 to confirm the product quality and periodically monitored for the product conformity against the standard requirements.
