

## Ketochem® (33cm)

Lightweight ketone resistant glove

**KETO**

### Sectors:

- Engineering and Manufacturing

### Packing

- 1 pair per zip lock bag
- 10 pairs per case

PPE CAT III  
0598

3001X

B C D F I J

### Features

**Design:** Unique formulation provides exceptional protection against a wide range of aggressive solvents

**Protection:** Excellent resistance to ketones, including MEK and acetone as well as aromatics such as toluene

**Economical:** Performance equivalent to high performance butyl and fluoroelastomer products at a more cost effective level

**Comfort:** Smooth non-textured material and anatomical shape ensures comfort and flexibility, and reduces hand fatigue

**Sensitivity:** The lightweight unsupported glove construction feels like a second skin and results in greater tactile sensitivity

<b>Code</b>	KETO
