Leadership in  
PROTECTION.™

MODEL REF: **STMD - PVC MICRO-DOTTED**

## MARKINGS:

## WARNING: MINIMAL RISK PRODUCT

**THIS PRODUCT IS INTENDED TO PROTECT THE WEARER AGAINST:**

- Mechanical action whose effects are minimal and easily reversible.
- Handling hot components not exposing the wearer to temperatures above 50 °c.
- Atmospheric agents of neither exceptional nor extreme nature.
- Minor impacts and vibrations which do not effect vital areas of the body and where the effects cannot cause irreversible lesions.
- Gloves should not be used when there is a risk of entanglement with moving machine parts. Before usage and periodically during usage, inspect the gloves for any defects or imperfections. Do not use damaged or defective gloves.

## MAINTENANCE:

Both new and old gloves should be thoroughly inspected before use to ensure no damage is present. Gloves should not be left in a contaminated condition if reuse is intended - if contaminated, gloves should be cleaned as far as possible.

## PACKING &amp; STORAGE:

The gloves are packed in bundles, along with this leaflet. The bundle of gloves are then placed in cardboard cartons. This is suitable for transportation and storage. Gloves should be stored in a cool, dry environment in the original packaging and out of direct sunlight.

## SIZES AVAILABLE:

**7, 8, 9, 10**

## GENERAL:

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer.

## OBSOLESCENCE:

Stored correctly, the gloves physical properties will not change for up to 5 years.

## PLEASE NOTE:

The information contained herein is intended to assist the wearer in the selection of personal protective equipment. The result of the laboratory tests should help with correct glove selection, however it should be understood that the actual conditions of use cannot be directly simulated. It is therefore the responsibility of the end user and not the manufacturer to determine the gloves suitability for the intended use.

This document and any other statement provided herein by or on behalf of UCI are given for informational purposes and do not constitute a contractual agreement nor warranty of merchantability. UCI assumes no responsibility for the suitability or adequacy of an end user's selection of gloves for a specific purpose.

More information and relevant documentation is available at the below contact address and/or web address.
