

## Capilex D

CPD

Durable, dexterous, great cut resistance all combined with a foamed Nitrile coating for enhanced grip

### Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Oil and Gas • Waste Management and Local authority

### Packing

12 pairs per polybag / 48 pairs per case

### Features

**Comfort:** Ultra-lightweight liner engineered without the addition of brittle glass fibre or steel, ensures the safety and comfort of the wearer during prolonged use

**Long lasting:** The reinforced thumb crotch makes sure the glove stands up to repeated abrasion and damage in a high stress area. The foamed Nitrile coating ensures exceptional wet and dry grip.

**Real World Protection:** Proven high cut resistance, tested to EN388:2016 ISO cut level D. Heat resistant up to 100°C or Contact Heat Level 1, EN:407:2004.

**Precision:** The new Capilex D combines tactility and protection like no other glove on the market, meaning users no longer need compromise between high cut resistance and comfort. Designed to be close fitting and available in a wide range of sizes the Capilex D is ideal for high precision handling where cut and heat are a risk.
