See Specification Sheets for details.</p>	
<b>Storage and Cleaning</b>	Store dry in original packaging. Cleaning not Recommended.	
<b>Recommendations</b>	These gloves protect against mechanical risks. <b>ATTENTION:</b> Not to be used for chemical protection. Gloves should not be used with moving machine parts. New and used gloves should be checked thoroughly. It must be ensured that the glove is not damaged in any way before being used. Excessively worn or damaged gloves must be replaced in order to meet the Performance Levels.
