Product Information

Glove Care: Store between 5°C and 25°C in a cool dry environment away from direct sunlight.

Food Contact: Unicare vinyl gloves have been tested in accordance with EN1186. They are suitable for use with all food Categories, except fatty foods, in situations of short term, repeat contact.

User Information

Cleaning: Gloves cannot be cleaned and reused. Before use, check gloves for physical damage. Do not use damaged gloves.

Fitting and Sizing: Only wear products of a suitable size. Products which are either too loose or tight will restrict movement and will not provide the optimum level of protection.

Allergy advice: This product does not contain natural rubber latex but may contain low levels of residual chemical accelerators, which may cause allergic reactions.
